### “Welcoming Message”

**Dr. Ahmed Al Amry, MD, MHA, FRCPC**  
Director General  
Medical Services Directorate (MSD) Ministry of  
Defense Riyadh Saudi Arabia

7 August 2019

*Dear Colleagues,*

*It gives me great pleasure to invite you to join your colleagues at the “2019 Second International Infection Prevention Conference, in Riyadh-KSA on the 28<sup>th</sup>, 29<sup>th</sup> and 30<sup>th</sup> of October 2019” where the ultimate goal is to earn about the latest research and science and discover real-world solutions to challenging infection prevention issues.*

- *The 2019 Second International Infection Prevention Conference will feature three action packed and informative days including 28 educational sessions presented by internationally renowned keynote speakers and exhibitor satellite symposia.*
- *Discover emerging issues from around the world.*
- *Stay ahead of industry hot topics and discuss how to prevent problems before they become unmanageable.*
- *Major topics covered multidrug-resistant organisms, antimicrobial resistance, sepsis, gram-negative infections, MERS and much more.*
- *Practical applications to manage infection control and medication management in healthcare settings.*
- *Explore the leading edge of IPC science and technology in the exhibition hall. Learn about scientific advances and innovations in equipment and devices, and experience hands-on demonstrations of the latest technology.*
- *Connect (and reconnect) with colleagues and network with healthcare professionals from across the United States, UK and Europe and around the Middle East.*

*I look forward to welcoming you to **IPC2019KSA** organised as a collaboration between Knowlex from the UK and Prince Sultan Military Medical City, Riyadh Saudi Arabia.*

*Thank you*
